

## ABOUT US

Civitas is a public capital society of the Comunità Montana di Valletrompia born for the unanimous will of the Valletrompia communes to maintain the public value of the Family Consultatory previously managed by ASL.

In collaboration with the Lumezzane Communal Administration, Civitas has opened a consultancy branch in Lumezzane where the Family Desk and the Minor Tutorship Service are.

Therefore a new and ample space is born to the service of the families in Lumezzane

Consorzio Familiare della Valle Trompia
